

# 150 square bezel downlight LED

A 150mm square recessed luminaire with absolute minimal visual impact.

Available with a range of market leading LED light engines with excellent colour consistency and light output.

Available in 1000 lumen to 3500 lumen output and "artist" version with excellent colour rendering of over 95 Ra.

## Applications:

- Where the fitting is to be retro-fitted into an existing finished ceiling.

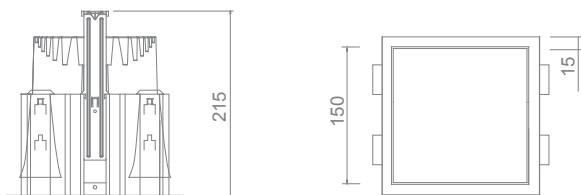

## Features:

- 'Easy click' tool free second fix internal cartridge.
- Insert is interchangeable between lamp types and gimbal.
- Tool free lamp and gear maintenance.
- Pre-wired with a 'Plug and Play' electrical connection.
- Etched opal glass diffuser for both flush and recessed mounting positions.
- Retro-fittable into existing 150 downlight frame.
